

WE ARE LOST!

SPIKE

ZORRO

At the beginning of May, we moved to a new house on Avenue G near 18th Street. On May 12, we escaped, and now we don't know how to get home.

We used to live near 7th Street and Victoria Avenue, so we may have tried to go there.

Our family would really like us back and are offering a REWARD.

Please call 230-6911 if you see either or both of us.
